Revision of the scales of pay of the Mayakonda Minor Municipalities in Chitaldrug Dt

Letter No A6-505-2827/47-48 dated the 21st May 1948 from the Deputy Commissioner, Chitaldrug Dt on the above subject

The Deputy Commr, Chitaldrug Dt states that the Minor Municipalities of Mayakonda have resolved that the scales of pay of the ML employees be revised from 1-1-47 as per the proposal and the allocation. Statements enclosed as has been done in the case of Govt employees and requests sanction of Govt thereto. The said that, in view of the hard days he has ordered that pay as per the revised scales may be drawn and disbursed to these employees with effect from 1-9-47 as in the case of other Municipalities

2) The average extra cost comes to Rs 692 per annum. The existing and revised scales are as noted below

1 Bill Collector on Rs 20/-		1 Bill Collector on 25-1-30	
1 Peon on Rs 10		1 Peon on 14-½-18

The pay of the scavengers is proposed at Rs 10/- each as against the grade of Rs 14-½-18 allowed in certain other Municipalities. But as this is a very small item it should be accepted with slender resources, this may be accepted. The allocation is according to rules & may be approved. An extract of the scale register has also been attached

3) The action of the DC in having allowed the minimum pay of the revised grades from 1-9-47 may be approved. The revised scales and the allocation may also be approved

Subject Revision of the Scales of pay of the employees of the Wayamba Kurunegala Municipality

Sir

With reference to your letter No A6 S-MS-2827/47-48 dated the 21st May 1948 on the above subject I am directed to convey the approval of Govt to the action taken by you in having permitted the Wayamba Kurunegala Municipal Council to draw and disburse

the minimum pay of the revised grades to the employees of that Municipality with effect from the 1st September 1947 ✓ in the circumstances reported

I am to observe further in this connection that the pay of the three scavengers which is now at Rs 7/- per mensem (fixed) is proposed to be revised to Rs 10/- (fixed) each per mensem, thus giving them an increase of Rs 3 only over the present pay. This seems to be low when compared with the grades of pay obtaining in the Municipalities in the State. A grade of Rs 11-½-15- may perhaps be adopted as the number of scavengers is only three and the recurring expenditure may not be much. I am to request that the matter may be promptly put to the Mangalore Municipal Council for reconsideration and their further views obtained in the matter forwarded for the orders of Government. The records accompany for reference and return.

I am Sir
